

Orb-3

lake & pond

Orb-3 Dry Bacteria tackles decaying plants and sludge-forming waste

All-natural, pathogen free

Safe for aquatic plants and fish

Consumes excess waste

Reduces chemical treatments

Orb-3 Dry Bacteria cost-effectively eats duck and fish waste, dead plant material and organics that create turbidity and become sludge in water gardens.

Orb-3 Dry Bacteria is a special blend of bacteria strains specifically targeted for their water clarity and muck digesting capabilities.

The hearty bacteria in this product speed the natural digestion of organic contaminate in both aerobic and anaerobic situations.

By consuming the organic material present, Orb-3 Dry Bacteria's superior microbes help naturally reduce the amount of excess nutrients to keep cloudy water and muck from taking control.

Dry Bacteria

Application Rates

Per 500 gallons of water garden capacity; measure in feet to calculate volume and take L x W x avg. D x 7.48 = Gallons

Initial: Mix 3 tbsp into 1 gallon of pond water and disperse into pond

Weekly: Mix 1 tbsp into 1 gallon of pond water and disperse into pond

For Optimum Results

Always measure and mix product as directed

To minimize the effects of settling, shake or mix product thoroughly before measuring for each application

Disperse diluted product over as large an area as possible

Apply when ambient temp. is 50°–90° F; dissolved oxygen level is over 1.0 ppm; pH is 6 – 8; and alkalinity is less than 100 ppm

Use with our other Orb-3 products for a full treatment program

Proper aeration or circulation will enhance product performance

Technical Specs

In Use pH Range Neutral
Solubility in Water Mostly Soluable
Odor Characteristic
Appearance Light brown powder

Packaging, Handling and Storage

Size	Pkg	Dimensions (LxWxH)	Weight
1 lb	Single	4" x 4" x 10"	1.5 lbs
	12/case	15" x 11" x 7"	18 lbs
10 lb	Pail	12" x 12" x 12"	12 lbs
25 lb	Pail	18" x 18" x 7"	28 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an Orb-3 Dry Bacteria MSDS for more specific information.
