

# Our versatile hard surface cleaner

Non-abrasive **e<sub>z</sub> Clean Hard Surface** is the obvious choice for daily grime

**e<sub>z</sub> Clean Hard Surface** does not simply push grease around on a surface. It actually dissolves grease on contact leaving a residue-free finish with no chemical build-up.

**e<sub>z</sub> Clean Hard Surface** accomplishes this by pairing high-performance surfactant technology with our broad-based enzyme package. This combination lifts surface and embedded soils, and begins breaking them down at the molecular level. Grease cannot reform.

With regular use, **e<sub>z</sub> Clean Hard Surface** allows no excess build-up to reside. Over time, this minimizes the cleaning task and provides a healthier work environment.

- Tough on commercial grime
- Non-corrosive; includes no phosphates or solvents
- Safe for equipment and drain lines
- Designed for long-term use on water-safe surfaces

# Usage Recommendations

## Surface Type

*Kitchen and Bathroom Countertops, Cabinets, Appliances and Equipment, Cutting Boards, Coffee Makers, Microwaves, Sinks, Tubs, Toilets, Hardware and Fixtures:* 2 – 6 ounces per gallon of water

Allow 1 – 3 minutes contact time. Clean as usual. Repeat as needed.

*For Desks, Table Tops, Doors, Computers, TVs, Furniture and Metal, Wood or Tile Surfaces:* 2 ounces per gallon of water

Allow 1 – 3 minutes contact time. Clean as usual. Repeat as needed.

*Stainless Steel or Glass:* 1/2 – 1 ounce per gallon of water

Wipe with a soft, lint-free cloth.

## For Optimum Results

- Mix with warm water to improve cleaning.
- Increase contact time to enhance product penetration.
- Apply multiple times for old or heavy build-up.
- Use friction to achieve a deeper clean.
- Rinse with clean warm water as needed.

## Technical Specs

pH Range: 3.25–4.20

Fragrance: None added

Appearance: Translucent amber liquid

## Packaging, Handling and Storage

Size	Pkg	Dimensions (LxWxH)	Weight
1-gal	4/cs	15" x 10" x 10"	39 lbs
5-gal	pail	12" x 10" x 15"	48 lbs
55-gal	drum	24" dia. x 36" H	475 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an **e<sub>z</sub> Clean Hard Surface MSDS** for more specific information.
