

Our "around- the-clock" odor control

Potent, long-lasting **e_z Clean Deodorizer^{Ultra}** is a breath of fresh air for the indoors

e_z Clean Deodorizer^{Ultra} is designed specially for manual or automated deodorizing equipment where on-going odor control is a necessity.

e_z Clean Deodorizer^{Ultra} is used every day in trash chutes, dumpsters, grease receptacles, garages, rest rooms, common areas and restaurants.

Typical scented products wear off quickly and the same odors reappear. The active ingredients in **e_z Clean Deodorizer^{Ultra}** immediately break down odor causing molecules in the air and on nearby surfaces providing unprecedented odor control 24/7.

- Formulated for misters, foggers and automatic spray equipment
- Animal and people friendly
- Non-volatile formula
- Industrial strength blend
- Economical ultra-concentrate

e_z Clean Deodorizer^{Ultra}

Usage Recommendations

Directions

Fogger: Mix 4 – 8 ounces per gallon of water

Set fogger to spray at regular intervals. See your rep for a schedule based on odor intensity, room size and air flow through.

Manual Sprayer: Mix 4 – 8 ounces per gallon of water

Spray at regular intervals or as needed to remediate odor.

For Optimum Results

- Clean any odor emitting areas with products from the **e_z Clean** line.
- Treat more frequently or at a higher concentration for stale or heavy odor.

Technical Specs

pH Range: 3.25–4.20

Fragrance: None added

Appearance: Translucent amber liquid
