

Our natural holding tank solution

Reliable **e_z** RV Tank Deodorizer minimizes embarrassing odor

e_z RV Tank Deodorizer helps to prevent noxious odors from forming in RV holding tanks and portable toilets. It maintains a healthy environment in the tanks by naturally digesting grease and feces.

e_z RV Tank Deodorizer combines the industries most concentrated enzymes and environmentally friendly emulsifiers with a "stay fresh" fragrance. This special formula enhances solids reduction and eliminates malodors by accelerating the natural remediation process.

By naturally accelerating the typical remediation process, **e_z** RV Tank Deodorizer is the safe, chemical free supplement for your system.

- Formaldehyde-free formula
- Will not harm RV plumbing or holding tank
- Accelerates breakdown of feces and odor causing contaminants
- Reduces buildup in tanks
- Benefits the receiving facility treatment process
- Easy to use and safe for humans
- Phosphate, solvent and toxin free

Usage Recommendations

Application

Gray Water Holding Tank Treatment: Mix 2 ounces of concentrate with a gallon of fresh water; then pour directly into holding tank to treat each 20 gallons of capacity

Brown Water Holding Tank Treatment: Mix 4 ounces of concentrate with a gallon of fresh water; then pour directly into holding tank to treat each 20 gallons of capacity

For Optimum Results

- Add product at night or at low usage times.
- Mix with lukewarm water (105°–115° F) when diluting if possible.
- When starting with this product, jump start a system by adding a second dose in the first week.
- Use **e_z** Clean Drains to treat any slow drains in system.

Technical Specs

pH Range: 3.25–4.20
Fragrance: Scented
Appearance: Translucent amber liquid
